

## Entrepreneurship Club After School Program

We are excited to announce that we are once again hosting a Thrive Jr. Entrepreneurship Club, powered by VentureLab. Entrepreneurship isn't just about starting a business. It is a skillset and a way of thinking. It involves identifying needs, brainstorming creative solutions, taking calculated risks, learning from failure, and persevering despite setbacks.

In the Idea to Pitch Program, students grow their **entrepreneurial mindsets** and skills as they apply their passions and strengths to identify opportunities to creatively solve problems, develop their solution into a business, and pitch the idea. The program culminates in a pitch event where students present their ideas to our community at our Webster Groves, Shrewsbury, Rock Hill Chamber of Commerce Pitch.

**It is important to commit to all 8 weeks of the program, so please look over the dates below before registering. I understand circumstances arise, but due to the amount of information and work in each session, if you are absent more than one time, it will end your participation in the program.**
