A **positive case** indicates that the student or staff member has been tested and received a report confirming the individual has COVID-19. Staff members will be isolated for a minimum of 10 days, and can return to campus with written release from the St. Louis County Health Department. Families are to work with the school nurse, local health professionals, etc. when children are to return to school after their minimum 10 day isolation period.

Data for **exposure/quarantine** includes individuals who have not tested positive, but have been identified through contact tracing of self-reported interaction with the person who may have been exposed to COVID-19. Staff members who have been in close contact (within 6 ft. for 15 minutes or more) are instructed to seek guidance from a medical professional and/or the health department and can return to campus with written release from the health department and/or local health professional. Families are to work with the school nurse, local health professionals, etc. when children are to return to school after their quarantine period.
